Dear Honorable Members of the Appropriation Committee,

My name is Lindsey Pollack and I live in Avon CT.

I am a 22-year-old lady that is proud to work at Favarh. I am working for the Thrift Store with Kendra, my job coach, and 3 other people. We do the laundry cleaning, steaming and hanging clothes. We also take some of the clothes to the Goodwill store.

I like my job, the people, and getting a check every 2 weeks.

I want to see my friends graduating next year join me.

It is not fair if they have to stay home.

Sincerely,

Lindsey Pollack
